P. O. BOX 185  
CONCAN, TEXAS 78838**

**CUSTOMER NOTICE OF WATER RATIONING**

Date: June 21, 2022

To: Customers of Concan Water Supply Corporation

From: The Board of Directors, CWSC

Due to extreme drought conditions and extreme water usage during the past weeks, our system is unable to meet the demand of all water needs. Therefore, under our Drought Contingency and Emergency Water Demand Management Plan on file with the Texas Commission on Environmental Quality, Stage 3 has been implemented which will begin on June 21, 2022 and will be in effect until the situation improves.

STAGE 3 Conditions PROHIBIT AND ARE MANDATORY

- \*ONE SHORT SHOWER PER DAY
- \*NO VEHICLE WASHING
- \*NO ABOVE PORTABLE GROUND POOLS OF ANY KIND
- \*DISCONTINUE ADDING WATER TO SWIMMING POOLS
- \*REPORT LEAKS
- \*NO OUTSIDE WATERING

WATER WELLS ARE STRUGGLING SEVERELY. VIOLATORS WILL BE FINED.

According to TCEQ, any time a public water system shuts down for any length of time, or pressure drops below 20 psi, a Boil Water Notice is required to be sent to each customer. It is not due to contamination.

NOTE: PENALTY: A WSC is allowed to charge a reasonable penalty to customers that fail to comply with the water use restriction procedures in accordance with 16 TAC 291.41(j).

**ALL WATER IS BEING SHUT OFF EACH NIGHT  
FROM 12:00 A.M. TILL 6:00 A.M.**
